Parma, 13 July 2021

MAPS (MAPS:IM; IT0005364333), an Innovative SME listed on AIM Italy and active in the digital transformation sector, announced that on 11th July it had signed a binding agreement, as detailed below, for the acquisition of the remaining 7.94% of the share capital of Maps Healthcare S.r.l. ("MH") from Fabrizio Biotti and Mauro Max Di Maulo (jointly the "Minority Shareholders").

Marco Ciscato, MAPS' Chairman, commented: "Today's Transaction allows us to consolidate our presence in the healthcare market, which represents a strategic market for the Maps Group with great growth prospects. The Transaction will also allow us to achieve maximum flexibility and operational effectiveness with Maps Healthcare, ensuring that the Group is even more ready for future M&A transactions in healthcare.

The structure of the Transaction – mostly based on an exchange for newly issued Maps shares – reflects a valuation of Maps based on independent research (Euro 4.36 per share) while also ensuring the maximum involvement of the minority shareholders, who will stay on as managers and will become Maps shareholders."

The Transaction will take place as follows:

Purchase and sale of the shareholding to be transferred

The Agreement provides for the purchase by MAPS of a 1.544% stake in MH's share capital from Fabrizio Biotti and of a 1.985% stake from Mauro Max Di Maulo, comprising a total of 3.529% (the "Shareholding to be Transferred"), for a total price of Euro 600,000.00, which will be paid in cash, at the Closing, in a single tranche.

Contribution of the residual shareholding

With regard to the residual interest held by the Minority Shareholders, the Agreement provides for them to subscribe to a reserved capital increase by MAPS (the "Capital Increase Reserved for Minority Shareholders"), which will be approved by the Board of Directors of the Issuer by means of the Delegated Authority (as described below).

On 20 October 2020 the Extraordinary Shareholders' Meeting of MAPS resolved to grant the Board of Directors the power, pursuant to Article 2443 of the Italian Civil Code, to increase share capital, for payment and in divisible form, in one or more tranches within 5 years from the date of the resolution, up to Euro 10,000,000.00, including any share premium, without pre-emption rights pursuant to article 2441, paragraphs 4, first sentence, and 5, of the Italian Civil Code, to be carried out with contributions of assets in kind involving companies, business units and/or equity investments in line with the corporate purpose of the Company and its subsidiaries and/or affiliates (the "Delegated Authority").

Specifically, Fabrizio Biotti will subscribe to 94,610 newly issued shares of MAPS through the contribution to MAPS of a 2.426% interest in MH and Mauro Max Di Maulo will subscribe to 77,408 newly issued shares of MAPS through the contribution to MAPS of a 1.985% interest in MH.
